Great graphics and gameplay. No IAPI Take online gaming to a whole new level in this amazing sci-fi tower defense game. Prepare your strategy in Epic War TD 2! Place 9 high level towers and 4 mega towers at specific locations and stop your enemy's advance. Epic War TD 2 is an online sci-fi themed tower defense game that is also available as a mobile app. The game is separated into two modes: arcade mode where tower slots are unlimited, and hard (or pro) modes where there are only a limited number of slots, and you can't sell the tower. The game has 40 different units that will attack your disposal, 50 brain-puzzling missions and over 100 hours of challenging fun. Best wishes! By App: AMT Games Publishing Limited Edition: 1.04.5 for Android Update: March 06, 2018 OBB Installation Location - >/sdcard/Android/obb/com.amtgames.evard2/main.6029.com.amtgames.evard2.obb Historical Edition Tip: Gpu: Adreno Tip: Gpu: Mali Epic War is a TD2 Tower Defense game! The image is also very responsive and full of all the great game content! Another planet is a fierce war, the preamble gradually opens. The enemy we face is not only foreigners but also people for their enemies... The enemy is well placed at the beginning of defense against all weapons, do not hesitate to spend money, every percentage should be used to strengthen defense, otherwise, the damage is huge! The game display screen is always designed to protect the best layout. The moment will begin a large number of enemies will soon cause violent attacks on building. ApkMix.com protective. Machine gun towers, rockets, powerful artillery attacks all rich and amazingly powerful laser weapons to attack enemies trying for a moment. It should be noted here that do not forget to upgrade weapons, but there must be a wide range of weapons, attack speed, fire to save money. Let's be amazed of the enemy! The basic operation of the game and the traditional tower defense game, click first on the selected protective structures on the building. And then, decide the money to upgrade each building to upgrade to three different properties to destroy enemies, offer to upgrade to first class, and then upgrade to improve destructive power. Paying for different buildings on different types of attacks on the enemy would be different to ensure that construction is being considered.
